

19th April 2024

Dear Parents, Carers, Students and Staff

Weekly Bulletin #27

QEGS PE Update

Medals for QEGS Students at the Derbyshire County Swimming Championships.

Congratulations to our QEGS students who recently competed at the Derbyshire County Swimming Championships.

The annual event, where the top swimmers from across the whole of Derbyshire compete, took place over 2

weekends. Elena A (Year 12), Connie H (Year 9), Daniel M (Year 8), Isabella M (Year 10), Jacob B (Year 7) and Jess

Derbyshire School Transport Routes

It has been brought to school's attention following the change of provider for the 009 route this week the incorrect amount has been charged since the increase was implemented in September 2023. Students who pay for travel (out of natural catchment/Post-16 students) should be paying £1.20 per journey. The previous provider allowed students to travel paying £1 per journey which was incorrect since the increase.

Please make sure your child has the correct money for each journey as travel may be refused if correct money is not paid to the driver. This also applies to all Derbyshire school bus routes which accept paying students, please see link to timetable for more information: <https://www.queenelizabeths.derbyshire.sch.uk/wp-content/uploads/sites/5/2024/04/DCC-Bus-route-timetable-updated-April-2024.pdf>

Available Maths Interventions for Years 11 and 13

A reminder of all the intervention opportunities for Y11 and 13 students:

Monday after school Maths drop in for A level and Further Maths A level in 906 with Mrs Kaul and Miss

First Gear Pre-Driver Training Days

Year 11 have received the following information this week regarding pre driver training for 16 year olds.

First Gear Pre-Driver Training days are for young people who are 16 and either living in or in education in Derbyshire. They give young people their first experience behind the wheel of a car, in a safe, controlled environment with fully qualified driving instructors. First Gear also offers trainees valuable information to help them prepare for their theory, hazard perception and practical driving tests as well as getting them to consider how they will continue driving

Finally

I am sure will all agree, the weather has been awful! The students and staff have kept their spirits high and kept on going. Let's hope for some dryer and warmer weather over the next few weeks.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'Scott Garrity', is written over a light blue horizontal line. The signature is cursive and somewhat stylized.
